

Tamkeen's National AI Skills Training Programme — Bahrain's Path to 50,000 AI-Skilled Citizens by 2030

AI in Education · Good practice · Bahrain

Quality score: 13/100

Evidence strength: Cautionary / limited

Summary

Bahrain's labour fund Tamkeen opened enterprise registration in 2025, with AWS and other providers, for a national programme aiming to train 50,000 Bahrainis in AI skills by 2030 across three tracks: executive AI leadership, general AI skills, and AI specialist training.

Key dimensions

Dimension	Score
