

Tanzania's Gender-Responsive Public Financial Management Reform — An Honest Early-Stage Assessment

Gender Equality · Good practice · Tanzania

Quality score: 33/100

Evidence strength: Cautionary / limited

Summary

A rigorous April 2026 PEFA assessment found Tanzania's gender-budgeting capacity-building 'non-systematic' with no structured gender-impact evaluations, prompting the Ministry of Finance to commit, in August 2026, to a formal Gender Budget Statement and spending-tagging system.
