

Tech4ED – Community ICT Centers for Education, Employment & Entrepreneurship

Digital Inclusion · Good practice · Philippines

Quality score: 48/100

Evidence strength: Moderate

Summary

The Philippines' Tech4ED places community ICT centers in schools, libraries and local-government offices nationwide, teaching digital literacy, e-government access and entrepreneurship. Grew from 89 centers in 2015 to over 2,200 by 2018, though independent outcome data is thin.
