

Technovation Girls Panamá — SENACYT's National AI App-Building Programme Reaches Its First Global Finalists

AI in Education · Good practice · Panama

Quality score: 47/100

Evidence strength: Moderate

Summary

Panama's science agency SENACYT runs Technovation Girls Panamá, where 200–270+ girls aged 8–18 build AI-powered apps each year; in 2025 the country qualified two teams for the global finals for the first time in the programme's history.
