

TESDA Skills Passport — AI-Assisted, Blockchain-Verified Credentials for Filipino TVET Graduates

AI in Education · Good practice · Philippines

Quality score: 27/100

Evidence strength: Cautionary / limited

Summary

Launched by President Marcos in February 2026, TESDA's Skills Passport app stores blockchain-verified National Certificates, an AI chatbot ('Prof K') for guidance, and Bossjob's AI job-matching engine, targeting over a million Filipino TVET workers and students.

Key dimensions

Dimension	Score
