

The Turing Trust — Refurbished Computers & Offline E-Libraries for Malawi's Secondary Schools

Digital Inclusion · Good practice · Malawi

Quality score: 92/100

Evidence strength: Descriptive / self-reported

Summary

UK charity The Turing Trust refurbishes donated computers with offline e-libraries for Malawi's schools. In its Northern Region, IT-lab access rose from 5% of schools in 2016 to 81% today, alongside teacher training and solar-powered rural classrooms.
