

ThisAbles — IKEA Israel's Free 3D-Printed Accessibility Add-Ons for Standard Furniture

Digital Inclusion · Good practice · Israel

Quality score: 72/100

Evidence strength: Descriptive / self-reported

Summary

IKEA Israel, disability charity Milbat and Access Israel co-designed free, 3D-printable add-ons — handles, switch extenders, zipper pulls — that make standard IKEA furniture usable by people with disabilities, growing from 13 to 24 designs and winning 11 Cannes Lions.
