

Transformative Approaches to Women's Leadership Training| Approcci trasformativi per la formazione alla leadership al femminile

Gender Equality · Literature / resource · Italy · Transnational

Quality score: 18/100

Evidence strength: Cautionary / limited

Summary

Training for female leadership is effective as long as it helps to remove causes of the persistent exclusion of women from managerial responsibilities. Training can address this goal not only from an ethical and egalitarian perspective. It can also do so in relation to processes

Key dimensions
