

Understand and Master These Tools — Monaco Adds AI Training to Its 2025 School-Year Reforms

AI in Education · Good practice · Monaco

Quality score: 20/100

Evidence strength: Descriptive / self-reported

Summary

Monaco's Directorate of National Education introduced AI training for pupils alongside a digital curfew and 'NoPhone' policy for the 2025/2026 school year, positioning AI literacy as a companion to new wellbeing rules rather than a measured pilot.
