UNSMIL's AI-Assisted Digital Dialogues — 1,000 Libyans Polled in Real Time for the UN-Facilitated Political Process

AI in the Public Sector · Good practice · Libya

Quality score: 53/100

Evidence strength: Moderate

Summary

UNSMIL and DPPA's Innovation Cell ran five AI-assisted online dialogues (Remesh) with up to 1,000 Libyans each. In January 2021, 76% backed elections on 24 Dec 2021, which never took place; no session had over 15% women.

Key dimensions
