

Utvei — Digital School Platform for Norwegian Prisons

Digital Inclusion · Good practice · Norway

Quality score: 56/100

Evidence strength: Moderate

Summary

Norway piloted Utvei, a secure digital school platform (Microsoft Teams/Office 365 plus ~170 whitelisted sites) at Agder Prison, Mandal, from February 2024, giving incarcerated students ICT tools comparable to mainstream schools, amid NGO criticism over surveillance.

Key dimensions

Dimension	Score
Innovation level	4/5
Sustainability (ongoing)	0/1
Evaluation evidence	0/1
Demonstrated reach	1/1
Documented learning	1/1
