

# Vilnius Tech Park — City-backed ICT campus in repurposed 19th-century hospital buildings

City Innovation Library · Good practice · Lithuania

Quality score: 71/100

Evidence strength: Strong

## Summary

Vilnius City Municipality co-owns this 9,000 m<sup>2</sup> campus — the largest ICT startup hub in the Baltics and Nordics — created by repurposing a disused 19th-century hospital park into a mixed-ownership tech community of 60+ companies.

## Key dimensions

| Dimension                                  | Score |
|--------------------------------------------|-------|
| Evidence of impact / measured results      | 2/3   |
| Transferability / demonstrated replication | 2/3   |
| Scalability                                | 2/3   |
| Sustainability / continuity                | 3/3   |
| Innovation                                 | 2/3   |
| Inclusiveness / equity                     | 1/3   |
| Multi-stakeholder collaboration            | 3/3   |
