

‘We are going to the right direction... but we are not in ideal world yet’: understanding gender (in)equality within leadership positions in Nordic football governance

Gender Equality · Literature / resource · Finland · Transnational

Quality score: 3/100

Evidence strength: Cautionary / limited

Summary

The importance of gender equality and equity in sports is highlighted not only in practice but also in research; however, previous research has often treated sports as a single context and has disregarded game-specific differences and characteristics. This research addresses this
