

Women's entrepreneurship, neoliberalism and economic justice in the postfeminist era: A discourse analysis of policy change in Sweden

Gender Equality · Literature / resource · Sweden · Transnational

Quality score: 22/100

Evidence strength: Descriptive / self-reported

Summary

Since the early 1990s, there has been investment in women's entrepreneurship policy (WEP) in Sweden, which continued until 2015. During the same period, Sweden assumed neoliberal policies that profoundly changed the position of women within the world of work and business. The goa
