

Women's Involvement in Dutch Politics: An Uphill Climb (the Netherlands)

Gender Equality · Literature / resource · Netherlands · National

Quality score: 22/100

Evidence strength: Descriptive / self-reported

Summary

What can be done to improve female representation in politics? First, it is needed inspiring role models who lead the way and make room for other women to join them. Second, it has to be considered that it is hard sometimes for a woman to juggle all the different responsibilities
