

Women's Political Network (WPN) Montenegro

Gender Equality · Good practice · Montenegro

Quality score: 85/100

Evidence strength: Observational / pre–post

Summary

A cross-party coalition of women from 16 political parties, launched in 2017 with EU and UNDP support, that pushed electoral quota reform and saw women's parliamentary representation rise from 11% to 24% nationally and 8% to 26% locally.
