

Yeti Confetti for Refugees — AI Learning Companion for Syrian Refugee Children in Lebanon

AI in Education · Good practice · Lebanon

Quality score: 27/100

Evidence strength: Descriptive / self-reported

Summary

An AI-animated tutor teaches English, maths and social-emotional skills to out-of-school Syrian refugee children in Lebanon in their own language and pace; the 2024 MIT Solve-recognised refugee pilot has so far reached only 15 children.

Key dimensions

Dimension	Score
