

Zambia–Obrizum AI-Powered Adaptive Learning Pilot in Secondary Schools and TEVET Institutions

AI in Education · Good practice · Zambia

Quality score: 27/100

Evidence strength: Cautionary / limited

Summary

Zambia's Ministry of Technology and Science signed an MoU with Cambridge-linked Obrizum Group in March 2026 to pilot AI-powered adaptive learning in secondary schools from mid-April 2026, with planned expansion to TEVET institutions and nationwide if the pilot succeeds.

Key dimensions
