

Zambia's Obrizum AI-Driven Personalised Learning Pilot for Secondary Schools and TEVET

AI in Education · Good practice · Zambia

Quality score: 13/100

Evidence strength: Cautionary / limited

Summary

Zambia's Ministry of Technology and Science signed a March 2026 MoU with Cambridge-linked Obrizum Group to pilot an AI platform that analyses students' needs in real time and adapts content, launching in secondary schools and TEVET institutions from mid-April 2026.

Key dimensions

Dimension	Score
