

Zhongguancun Science Park — Beijing's Original Innovation and Technology-Transfer Zone

City Innovation Library · Good practice · China

Quality score: 76/100

Evidence strength: Strong

Summary

Recognised in 1988 as China's first state-level high-tech zone, Zhongguancun in Beijing grew from a district electronics market into a technology-transfer hub credited with spinning out Lenovo and Founder Group, now hosting over 20,000 high-tech firms.

Key dimensions
